**ORDER OF BUSINESS:** Public sessions of all Regular Meetings of the City Council / Community Development Commission - Housing Authority (hereafter referred to as Elected Body) begin at 6:00 p.m. on the first and third Tuesday of each month. Public Hearings begin at 6:00 p.m. unless otherwise noted. Closed Sessions begin at 5:00 p.m. or such other time as noted. If a workshop is scheduled, the subject and time of the workshop will appear on the agenda. The Mayor and Council members also sit as the Chairperson and Members of the Board of the Community Development Commission (CDC).

**REPORTS:** All open session agenda items and reports as well as all documents and writings distributed to the Elected Body less than 72 hours prior to the meeting, are available for review at the entry to the Council Chambers. Regular Meetings of the Elected Body are webcast and archived on the City's website **www.nationalcityca.gov**.

**PUBLIC COMMENTS:** Prior to the Business portion of the agenda, the Elected Body will receive public comments regarding any matters within the jurisdiction of the City and/or the Community Development Commission. Members of the public may also address any item on the agenda at the time the item is considered by the Elected Body. Persons who wish to address the Elected Body are requested to fill out a "Request to Speak" form available at the entrance to the City Council Chambers, and turn in the completed form to the City Clerk. The Mayor or Chairperson will separately call for testimony of those persons who have turned in a "Request to Speak" form. If you wish to speak, please step to the podium at the appropriate time and state your name and address (optional) for the record. The time limit established for public testimony is three minutes per speaker unless a different time limit is announced. Speakers are encouraged to be brief. The Mayor or Chairperson may limit the length of comments due to the number of persons wishing to speak or if comments become repetitious or irrelevant.

WRITTEN AGENDA: With limited exceptions, the Elected Body may take action only upon items appearing on the written agenda. Items not appearing on the agenda must be brought back on a subsequent agenda unless they are of a demonstrated emergency or urgent nature, and the need to take action on such items arose after the agenda was posted.

**CONSENT CALENDAR:** Consent calendar items involve matters which are of a routine or noncontroversial nature. All consent items are adopted by approval of a single motion by the City Council. Prior to such approval, any item may be removed from the consent portion of

the agenda and separately considered upon request of a Councilmember, a staff member, or a member of the public.

Upon request, this agenda can be made available in appropriate alternative formats to persons with a disability in compliance with the Americans with Disabilities Act. Please contact the City Clerk's Office at (619) 336-4228 to request a disability-related modification or accommodation. Notification 24-hours prior to the meeting will enable the City to make reasonable arrangements to ensure accessibility to this meeting.

Spanish audio interpretation is provided during Elected Body Meetings. Audio headphones are available in the lobby at the beginning of the meeting.

Audio interpretación en español se proporciona durante sesiones del Consejo Municipal. Los audiófonos están disponibles en el pasillo al principio de la junta.

Spanish to English interpretation services are available to members of the public who wish to speak to the City Council during the meeting. "Request to Speak" forms requesting interpretation must be filed within the first two hours of the meeting.

## Explanation

Staff is requesting City Council support for submittal of a project application in the amount of \$644,672 for Paradise Creek Educational Park Extension through the California Department of Natural Resources Urban Greening Grant Program, which includes a local match of \$161,504, for a total project cost of \$806,176. Funding for the local match is available through prior General Fund Capital Improvement Program appropriations for WI-TOD / Paradise Creek Park.

The Urban Greening Grant Program funds projects that reduce greenhouse gas emissions by transforming the built environment into parks and green spaces that are more sustainable, enjoyable, and effective in creating healthy communities. Eligible projects use natural solutions to sequester carbon, reduce energy consumption, create more walking and biking trails, and improve air and water quality. The Grant Program is administered by the California Department of Natural Resources.

The Paradise Creek Educational Park Extension project involves the expansion of Paradise Creek Educational Park located behind Kimball Elementary School with access from Hoover Avenue and W. 19th Street. Improvements include removal of existing asphalt pavement and concrete sidewalk at the northern entrance to the park on Hoover Avenue and replacement with decomposed granite and permeable pavers for storm water infiltration; installation of new trees, native vegetation and additional storm water treatment / infiltration features; construction of a community gathering area; traffic calming and pedestrian enhancements such as pedestrian curb ramps for Americans with Disabilities Act (ADA) compliance, curb extensions, a high-visibility crosswalk, and pedestrian actuated flashing crosswalk signs at the intersection of W. 18th Street and Hoover Avenue; and new bicycle facilities.

The grant requires City Council Resolution in support of the project application and authorization for the City Manager or designee to execute the grant agreement if selected for funding. If grant funds are awarded, staff will return to City Council to accept the grant and establish appropriation of revenues and expenditures.

#### RESOLUTION NO. 2018 -

# RESOLUTION OF THE CITY COUNCIL OF THE CITY OF NATIONAL CITY APPROVING THE APPLICATION FOR GRANT FUNDS FOR CALIFORNIA CLIMATE INVESTMENTS URBAN GREENING PROGRAM

WHEREAS, the Legislature and Governor of the State of California have provided funds for the California Climate Investments Urban Greening Program; and

WHEREAS, the California Natural Resources Agency has been delegated the responsibility for the administration of this grant program, establishing necessary procedures; and

WHEREAS, said procedures established by the California Natural Resources Agency require a resolution certifying the approval of applications by the City Council before submission of said applications to the State; and

WHEREAS, the City of National City (the "City"), if selected, will enter into an agreement with the State of California to carry out the Project.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of National City hereby approves the filing of an application for grant funds for the Paradise Creek Education Park Extension (the "Project").

### BE IT FURTHER RESOLED that the City Council hereby:

- 1. Certifies that the City of National City understands the assurances and certification in the application;
- Certifies that the City or title holder will have sufficient funds to operate and maintain the project consistent with the land tenure requirements; or will secure the resources to do so;
- 3. Certifies that it will comply with the provisions of Section 1771.5 of the State Labor Code;
- 4. If applicable, certifies that the project will comply with any laws and regulations, including, but not limited to, legal requirements for building codes, health and safety codes, disabled access laws, environmental laws, and that prior to commencement of construction, all applicable permits will have been obtained;
- 5. Certifies that the City will work towards the Governor's State Planning Priorities intended to promote equity, strengthen the economy, protect the environment, and promote public health and safety as included in Government Code Section 65041.1; and
- 6. Appoints the City Manager or designee as agent to conduct all negotiations, execute, and submit all documents, including, but not limited to, applications, agreements, payment requests, and any other documents or acts that may be necessary for the completion of the aforementioned projects.

#### Attachment No. 1 Explanation

Item: Public Hearing No. 2 of 2 on the adoption of a Resolution of the City Council of the City of National City to adopt the U.S. Department of Housing and Urban Development (HUD) Fiscal Year 2018-2019 entitlement grant funds, program income, and funds remaining from completed projects to Community Development Block Grant (CDBG) and HOME Investment Partnerships (HOME) Program activities proposed for the 2018-2019 Action Plan.

In accordance with the federal regulations at 24 CFR, Part 91, the City of National City (City) is required to prepare and submit an Annual Action Plan for its Housing and Community Development Entitlement Programs funded by the U.S. Department of Housing and Urban Development (HUD). The Fourth-Year Action Plan for FY 2018-2019 outlines how the City intends to spend an estimated \$741,000 in federal Community Development Block Grant (CDBG) and \$247,000 in federal HOME Investment Partnerships (HOME) Program entitlement funds.

In addition to the funding sources noted above, the City will reprogram \$2,565.70 in program income and \$64,148.06 remaining from previously completed projects for CDBG, as well as reprogram \$151,574.14 in HOME program income received.

A second Public Hearing will be conducted at the regularly scheduled City Council meeting on May 1, 2018 to review public comments received during a 30-day public review period from March 30, 2018 through April 29, 2018, on the draft 2018-2019 Annual Action Plan; and to provide interested persons and community groups with one last opportunity to share their thoughts regarding the Plan and the CDBG and HOME Program activities being proposed for FY 2018-2019.

#### Submission to HUD

As of the date of this report, HUD has not released the final entitlement appropriations for the CDBG and HOME Programs. Attachment No. 2 provides the Action Plan funded activities for FY 2018-2019 and explains how the City will adjust the proposed Action Plan activity awards to match the actual entitlement allocation amount given to the City by HUD, once actual appropriation amounts become known.

After all public comments have been considered at the Public Hearing on May 1, 2018, the City Council will adopt the proposed 2018-2019 Action Plan. The plan will be submitted to HUD within 60 days after the date allocations are announced or no later than August 16, 2018 (whichever comes first).

The proposed plans are available for reference at the office of the City Clerk and Housing & Economic Development Department office. The document is also made available to the public on the CDBG and HOME web page of the City of National City website at <a href="http://www.nationalcityca.gov/cdbg-home">http://www.nationalcityca.gov/cdbg-home</a>.

The entitlement award for Community Development Block Grant (CDBG) and HOME Investment Partnerships (HOME) Program is estimated. U.S Department of Housing and Urban Development (HUD) has not released allocations for fiscal year (FY) 2018-2019. Funding commitments to any activity listed above will depend on the ability to fund the activity with the actual award made to the City by HUD.

When HUD releases the final CDBG entitlement award funds will be applied to the recommended Public Service activities proportionately until fully funded and up to the 15% Public Service cap. Remaining funds will be applied to the Housing Inspection Program and CDBG Program Administration (20% cap) proportionately. If there is a decrease in the CDBG entitlement award all activities will be decreased proportionately.

If the HOME entitlement award is increased or decreased each HOME activity will be increased or decreased proportionally.

The City Manager will review and accept the final funding commitments as directed by the City Council.

## PUBLIC NOTICE CITY OF NATIONAL CITY

#### 30 DAY PUBLIC REVIEW PERIOD AND FINAL PUBLIC HEARING FOR THE DRAFT FY 2018-2019 ANNUAL ACTION PLAN

Notice is hereby given by the City of National City that the draft Annual Action Plan for Fiscal Year (FY) 2018-2019 has been prepared. The Annual Action Plan outlines how the City plans to spend an estimated \$807,713.76 in Community Development Block Grant (CDBG) funds and \$398,574.14 in HOME Investment Partnerships (HOME) Program funds on activities that address the community development and housing needs of the City. In accordance with the federal regulations at 24 CFR, Part 91, the City of National City is required to prepare and submit an Annual Action Plan for its Housing and Community Development Programs to the U.S. Department of Housing and Urban Development (HUD).

In order to obtain the views of residents, public agencies, and other interested parties, the City of National City has placed a copy of the draft Annual Action Plan for FY 2018-2019 at the Office of the City Clerk located on the first floor of City Hall, 1243 National City Blvd., National City, CA 91950 during normal hours of operation beginning March 30, 2018. #### RESOLUTION NO. 2018 -

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF NATIONAL CITY ADOPTING THE U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT FISCAL YEAR 2018-2019 ENTITLEMENT GRANT FUNDS, PROGRAM INCOME, AND FUNDS REMAINING FROM COMPLETED PROJECTS TO COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) AND HOME INVESTMENT PARTNERSHIPS (HOME) PROGRAM ACTIVITIES PROPOSED FOR THE FISCAL YEAR 2018-2019 ACTION PLAN

WHEREAS, as an entitlement community, the City of National City administers the Community Development Block Grant ("CDBG") and the Home Investment Partnerships Act ("HOME") Program for the Federal Government under the United States Department of Housing and Urban Development ("HUD"); and

WHEREAS, in accordance with the federal regulations at 24 CFR, Part 91, the City is required to prepare and submit an Annual Action Plan for Housing and Community Development Programs funded by CDBG and HOME; and

WHEREAS, HUD requires that all CDBG and HOME Program entitlement communities, such as the City of National City, hold at least two public hearings and a 30-day public comment period to solicit input on the 2018-2019 Annual Action Plan; and

WHEREAS, the City Council conducted a duly advertised public hearing on March 20, 2018 and May 1, 2018, to receive input from the public; and

WHEREAS, the 30-day comment period for the 2018-2019 Annual Action Plan occurred from March 30, 2018 to April 29, 2018; and

WHEREAS, the City will incorporate public comments received into the final submission of said Plans within 60 days after the date allocations are announced by HUD or no later than August 16, 2018 (whichever comes first); and

WHEREAS, HUD has not released entitlement appropriations to the City and staff has estimated the Fiscal Year 2018-2019 HUD formula allocation to be \$741,000.00 for CDBG and \$247,000.00 for the HOME Program which have been used to determine the Annual Action Plan activities to consider for funding identified in Exhibit "A"; and

WHEREAS, staff will make necessary adjustments to the CDBG and HOME activity allocations listed in the Annual Action Plan by following the method described in Exhibit "A" when final appropriations are provided by HUD; and

WHEREAS, the City Manager will be authorized to approve any adjustments made, and make the final allocations official by attaching the final list of Annual Action Plan activities to the Resolution as Exhibit "B" and promptly notifying all intended recipients of entitlement funds listed in Exhibit "A"; and

WHEREAS, staff has identified and verified the availability of \$64,148.06 in CDBG funds remaining from previous year projects that have been completed to supplement the funding of activities in Fiscal Year 2018-2019 Annual Action Plan as listed on the attached Exhibit "A"; and

Resolution No. 2018 – Page Two

WHEREAS, staff has also identified and verified program income received from the CDBG Program in the amount of \$2,565.70 and \$151,574.14 for the HOME Program to further supplement the funding of activities in the Fiscal Year 2018-2019 Annual Action Plan as listed in the attached Exhibit "A".

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of National City hereby authorizes the reallocation of \$64,148.06 in CDBG funds remaining from completed projects.

BE IT FURTHER RESOLVED that the City Council of the City of National City hereby authorizes the allocation of \$2,565.70 in CDBG Program income and \$151,574.14 in HOME Program income to supplement the funding of activities specified in the Fiscal Year 2018-2019 Annual Action Plan, as set forth in Exhibit "A".

BE IT FURTHER RESOLVED that the City Council authorizes the submission of the Fiscal Year 2018-2019 Annual Action Plan for the expenditure of said funds to the U.S. Department of Housing and Urban Development.

BE IT FURTHER RESOLVED that the City Manager is authorized to approve any changes in funding to the activities listed in Exhibit "A".

BE IT FURTHER RESOLVED that City Manager is hereby authorized to execute the final submission of the Fiscal Year 2018-2019 Annual Action Plan, certifications, and agreements required by HUD for the full implementation of the activities funded under said Plan.

#### **EXPLANATION:**

The project applicant has applied for a Conditional Use Permit to modify the existing wireless communications facility on a shopping center (Sweetwater Square) located at 3007 Highland Avenue. The upgrade is to a T-Mobile facility that will add two additional antennas and associated equipment to the roof of the building. The existing facility is comprised of six antennas, in groups of two, located on three sides of the building.

The Planning Commission conducted a public hearing on April 16, 2018. Commissioners asked questions regarding design, location, and safety. The Commission voted to recommend approval of the Conditional Use Permit based on attached findings and Conditions of Approval.

The attached Planning Commission staff report describes the proposal in detail.

**ATTACHMENT 2** 

#### **BACKGROUND**

#### Staff Recommendation

Staff recommends approval of the modification of the existing wireless communications facility on the gym. The use is conditionally-allowed in the Major Mixed-Use District zone and is consistent with the General Plan and Land Use Code. The expansion generally meets all applicable design requirements for wireless communication facilities and matches the existing facility.

#### **Executive Summary**

The applicant has applied for a Conditional Use Permit (CUP) to modify the existing wireless communications facility on a gym (Chuze Fitness). The upgrade is to a T-Mobile facility that will add two additional antennas, one radio, and nine cables to the roof of the existing facility.

#### Site Characteristics

The project location is an existing commercial development (Sweetwater Square) located at 3007 Highland Avenue in the Major Mixed-Use District (MXD-2) zone. The MXD-2 zone continues to the east and west of the property. The development is bordered by Small and Large Lot Residential (RS-2 & RS-1) to the north and State Route 54, which is designated Open Space (OS), to the south.

#### Proposed Use

The applicant is proposing to modify an existing telecommunications facility by installing two additional antennas and associated equipment. The two antennas would be located in the northwest corner of the development facing north towards the parking lot. The antennas would be four feet in height and would be mounted to 10-foot high poles. The poles would be partially covered by an existing parapet west of the Chuze Fitness sign. The proposed antennas would be in addition to six existing antennas. These six antennas are in three groups of two; two of the antennas are east of the Chuze Fitness sign on the north side of the building, two more are south of the El Super sign on the west side of the building, and the final two are on the southeast corner of the building.

#### Analysis

While the proposed antennas would not be using stealth options that are encouraged in the Land Use Code, the visual impact would be less than the existing antennas due to a parapet that covers approximately half of the pole. The antennas follow all other applicable land use code requirements, such as

being located on the rear half of the property and not being situated between the development and any public or private street adjoining the parcel, which in this case is 30<sup>th</sup> Street. Telecommunication facilities should be located and designed to avoid blocking and/or substantially altering scenic views. The proposed antennas are pole-mounted, which would have less of a visual impact than a tower or the Chuze Fitness sign. The proposed antennas would match the color of the existing development to assure that they would be aesthetically consistent with the existing site. They are not in a residential zone and are more than 75 feet from any habitable structure (approximately 210 feet).

#### Findings for Approval

The Municipal Code contains six required findings for CUPs:

1. The proposed use is allowable within the applicable zoning district pursuant to a Conditional Use Permit and complies with all other applicable provisions of the Land Use Code.

The use is allowable within the Major Mixed-Use District zone pursuant to a CUP, and the proposed use generally meets the required guidelines in the Land Use Code.

2. The proposed use is consistent with the General Plan and any applicable specific plan.

General Plan Policy E-3.3 encourages access to wireless internet connections, computers, and other forms of communication technology; the proposed telecommunications facility provides internet/cellular data as well as standard cellphone service capability.

3. The design, location, size, and operating characteristics of the proposed activity would be compatible with the existing and future land uses in the vicinity.

The design, location, size, and operating characteristics of the two proposed antennas mirror those of the existing six antennas and as such are compatible with the existing land use.

> The site is physically suitable for the type, density, and intensity of use being proposed; including access, utilities, and the absence of physical constraints.

The proposed antennas would be accessory to not only the existing telecommunications facility, but also the existing commercial uses, which include indoor recreation and retail. Their placement on the existing building assures that circulation will not be affected.

5. Granting the permit would not constitute a nuisance or be injurious or detrimental to the public interest, health, safety, convenience, or welfare, or materially injurious to persons, property, or improvements in the vicinity and zone in which the property is located.

The proposed antennas will not stand out to a passerby, as they will match the color and height of the existing antennas. The matching of the color allows the antennas to blend in rather than stand out from the existing site. Because there are two existing visible antennas directly east of the proposed antennas, they would appear as a design choice or possibly light fixtures.

6. The proposed project has been reviewed in compliance with the California Environmental Quality Act (CEQA).

The proposed project has been reviewed in compliance with CEQA. Staff has determined the proposed use to be categorically exempt from environmental review pursuant to Class 1 Section 15301 (Existing Facilities), for which a Notice of Exemption will be filed subsequent to approval of this CUP.

#### Findings for Denial

 Granting the permit would constitute a nuisance or be injurious or detrimental to the public interest, health, safety, convenience, or welfare, or materially injurious to persons, property, or improvements in the vicinity and zone in which the property is located.

Because the subject facility would be more visible with the proposed design than with the encouraged stealth designs, it would have a negative visual impact on area uses and would not be consistent with design guidelines for wireless telecommunications facilities §18.30.220 (B)(2)(i) & (k).

> That although the coverage for T-Mobile Wireless facilities is less than optimal in the subject area, no significant gap in service exists; denial of the Conditional Use Permit would not result in a prohibition of service.

#### Conditions of Approval

Planning Department conditions require that all appropriate and required local, state and/or federal permits must be obtained prior to operation of the wireless communications facility. In addition, the permittee shall not object to co-locating additional facilities of other communication companies and sharing the project site, provided such shared use does not result in substantial technical or quality-of-service impairment for the permitted use. The applicant or operator shall also be responsible for the removal and disposal of any antennas, equipment or facilities that are abandoned, decommissioned, or become obsolete within six (6) months of discontinuance. In addition, standard Fire, Building, and Engineering code conditions are included.

#### Summary

The proposed project is consistent with the Land Use Code in that it generally meets all applicable design requirements for wireless communication facilities. Although the project does not use the stealth options encouraged by the city, it is able to blend in with nearby development (other utilities). The antennas would not be highly visible and the operating equipment would be completely screened from view. The facility could be redesigned to reduce the visual impact of the antennas further, although the applicant has stated that the property owner is not in favor of this option. The new facility will help to provide coverage in an area with limited service and provide additional reception for T-Mobile customers.

#### **RESOLUTION NO. 2018-08 (a)**

# A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF NATIONAL CITY, CALIFORN IA APPROVING A CONDITIONAL USE PERMIT FOR THE MODIFICATION OF AN EXISTING WIRELESS COMMUNICATIONS FACILITY ON A GYM (CHUZE FITNESS) LOCATED AT 3007 HIGHLAND AVENUE. CASE FILE NO. 2017-18 CUP

APN: 563-370-35

WHEREAS, the Planning Commission of the City of National City considered a Conditional Use Permit for the modification of an existing wireless communications facility on an existing building located at 3007 Highland Avenue at a duly advertised public hearing held on April 16, 2018, at which time oral and documentary evidence was presented; and,

WHEREAS, at said public hearings the Planning Commission considered the staff report contained in Case File No. 2017-18 CUP maintained by the City and incorporated herein by reference along with evidence and testimony at said hearing; and,

WHEREAS, this action is taken pursuant to all applicable procedures required by State law and City law; and,

WHEREAS, the action recited herein is found to be essential for the preservation of public health, safety, and general welfare.

NOW, THEREFORE, BE IT RESOLVED by the Planning Commission of the City of National City, California, that the testimony and evidence presented to the Planning Commission at the public hearing held on April 16, 2018, support the following findings:

- The proposed use is allowable within the applicable zoning district pursuant to a Conditional Use Permit and complies with all other applicable provisions of the Land Use Code. The use is allowable within the Major Mixed-Use District zone pursuant to a CUP, and the proposed use generally meets the required guidelines in the Land Use Code.
- 2. The proposed use is consistent with the General Plan. General Plan Policy E-3.3 encourages access to wireless internet connections, computers, and other forms

- of communication technology. The proposed telecommunications facility provides internet/cellular data as well as standard cellphone service capability.
- 3. The design, location, size, and operating characteristics of the proposed activity would be compatible with the existing and future land uses in the vicinity. The two proposed antennas mirror those of the existing six antennas and as such are compatible with the existing land use.
- 4. The site is physically suitable for the type, density, and intensity of the use being proposed, including access, utilities, and the absence of physical constraints. The proposed antennas would be accessory to not only the existing telecommunications, but also the existing commercial uses, which includes indoor recreation and retail. Their placement on the existing building assures that circulation will not be affected.
- 5. Granting the permit would not constitute a nuisance, be injurious, or detrimental to the public interest, health, safety, convenience, or welfare, or materially injurious to persons, property, or improvements in the vicinity and zone in which the property is located. The proposed antennas will not stand out to a passerby, as they will match the color and height of the existing antennas. The matching of the color allows the antennas to blend in rather than stand out from the existing site. Because there are two existing visible antennas directly east of the proposed, they would appear as a design choice or possibly light fixtures
- 6. The proposed project has been reviewed in compliance with the CEQA. Staff has determined the proposed use to be categorically exempt from environmental review pursuant to Class 1 Section 15301 (Existing Facilities), for which a Notice of Exemption will be filed subsequent to approval of this CUP.

BE IT FURTHER RESOLVED that the application for a Conditional Use Permit is approved subject to the following conditions:

#### General

- 1. This Conditional Use Permit authorizes a wireless communications facility at 3007 Highland Avenue. Except as required by conditions of approval, all plans submitted for permits associated with the project shall conform with Exhibit A, Case File No. 2017-018 CUP, dated 8/03/2017. Any additional antennas or facilities must be in substantial conformance with the design for installation shown on these plans.
- Before this Conditional Use Permit shall become effective, the applicant and the property owner both shall sign and have notarized an Acceptance Form, provided by the Pianning Department, acknowledging and accepting all conditions imposed upon the approval of this permit. Failure to return the signed and notarized Acceptance

Form within 30 days of its receipt shall automatically terminate the *Conditional Use Permit*. The applicant shall also submit evidence to the satisfaction of the Planning Department that a Notice of Restriction on Real Property is recorded with the County Recorder. The applicant shall pay necessary recording fees to the County. The Notice of Restriction shall provide information that conditions imposed by approval of the *Conditional Use Permit* are binding on all present or future interest holders or estate holders of the property. The Notice of Restriction shall be approved as to form by the City Attorney and signed by the Executive Director prior to recordation.

- 3. Within four (4) days of approval, pursuant to Fish and Game Code 711.4 and the California Code of Regulations, Title 14, Section 753.5, the applicant shall pay all necessary environmental filing fees for the San Diego County Clerk. Checks shall be made payable to the County Clerk and submitted to the National City Planning Department.
- 4. This permit shall become null and void if not exercised within one year after adoption of the resolution of approval unless extended according to procedures specified in Section 18.12.040 of the Municipal Code.

#### Building

5. Plans submitted for improvements must comply with the current edition of the California Building, Electrical, Plumbing, Mechanical, Energy and Codes.

#### Fire

6. Plans submitted for improvements must comply with the current edition of the California Fire Code (CFC) and National Fire Protection Association (NFPA).

#### Engineering

- 7. The Priority Project Applicability checklist for the National Pollutant Discharge Elimination System (NPDES) is required to be completed and submitted to the Engineering Department. The checklist will be required when a project site is submitted for review of the City Departments. The checklist is available at the Engineering Department. If it is determined that the project is subject to the "Priority Project Permanent Storm Water BMP Requirements" and the City of National City Storm Water Best Management Practices of the Jurisdictional Urban Runoff Management Program (JURMP) approved Standard Urban Storm Water Mitigation Plan (SUSMP) documentation will be required prior to issuance of an applicable engineering permit. The SUSMP shall be prepared by a Registered Civil Engineer.
- 8. The Best Management Practices (BMPs) for the maintenance of the proposed construction shall be undertaken in accordance with the National Pollutant Discharge Elimination System (NPDES) regulations which may require a Storm Water Pollution Prevention Plan (SWPPP) for the project. If required, an approved SWPPP will be required prior to issuing of a construction permit.

#### **Planning**

9. All appropriate and required local, state and/or federal permits must be obtained prior to operation of the wireless communications facility.

- 10. The permittee shall not object to co-locating additional facilities of other communication companies and sharing the project site, provided such shared use does not result in substantial technical or quality-of-service impairment for the permitted use. In the event a dispute arises with regard to co-locating with other existing or potential users, the City may require a third party technical study at the expense of either or both the applicant and the complaining user. This condition in no way obligates the City to approve any co-location proposal if it is determined by the City not to be desirable in a specific case.
- 11. The applicant or operator shall be responsible for the removal and disposal of any antennas, equipment or facilities that are abandoned, decommissioned, or become obsolete within six (6) months of discontinuance.

BE IT FURTHER RESOLVED that copies of this Resolution be transmitted forthwith to the applicant and to the City Council.

BE IT FINALLY RESOLVED that this Resolution shall become effective and final on the day following the City Council meeting where the Planning Commission resolution is set for review, unless an appeal in writing is filed with the City Clerk prior to 5:00 p.m. on the day of that City Council meeting. The City Council may, at that meeting, appeal the decision of the Planning Commission and set the matter for public hearing.

## City Manager's Working Group Report and Recommendations in Support of Immigrant Rights and Services

On November 7, 2017, the City Council directed the City Manager to form a City Manager's working group ("working group") to discuss strategies for building and maintaining positive relationships in support of immigrant rights and services in National City. The Council also reviewed Staff's summary of human relations commissions statewide.

The working group convened on multiple occasions to discuss the issues and identify those services and resources in a local context. Representatives included staff from the City Manager's Office, City Attorney's Office, Community Services, Library Services, Housing and Economic Development, and Police Services.

The working group presents the following recommendations for City Council consideration:

- (1) establish a partnership with South Bay Community Services (SBCS) for immigration related services and referrals;
- (2) explore a pilot program with SBCS to actively track immigration related referrals;
- (3) provide areas in city facilities for the community to access educational and information literature regarding immigrant rights and services; and
- (4) continue partnership with 2-1-1- San Diego.

These recommendations provide ways for the City of National City to disseminate information, offer resources and create avenues in which residents can be more involved with the city and their community.

Given the limited staffing resources available to the City, the working group is not recommending the formation of a City Human Relations Commission at this time. Several of the community-based organizations and service providers identified in this staff report already have the capacity to process feedback from the communities they serve and advocate for their concerns.

This staff report will provide further background and additional information and recommendations separated by the following sections:

- (I) local immigration-related services providers
- (II) background on and services provided by South Bay Community Services (SBCS)
- (III) tools and strategies to expand support of immigrant rights and services

#### **Background**

The discussion of how to best develop strategies to assist immigrants has been in the forefront of many communities across the nation. Local governments use a variety of strategies to assist and engage their residents in civic life through information, services and programs. National City is no exception.

The following chronology provides a recap of the City Council's discussions to date:

- November 7, 2017 The City Council directed the City Manager to form a City Manager's
  Working Group to consider strategies for building and maintaining positive relationships in
  support of immigrant rights and services.
- September 19, 2017 The City Council discussed continued report on strategies for building and maintaining positive relationships in support of immigrant rights and services to include a request for Council direction on the creation of an ad-hoc committee or City Manager's working group; and a general overview of grant funding opportunities.
- August 15, 2017 The City Council considered staff's report on services, tools and strategies
  available to local government to expand existing outreach programs, and enhance or
  develop strategies for building and maintaining positive relationships in support of
  immigrant rights and services. Council discussed a number of options contained in the
  report and received from public testimony.
- June 20, 2017 The City Council directed staff to prepare a report on mechanisms available to local government to meet and support immigrant needs. Council was also provided for a summary of human relations commissions statewide.

#### **Section I. Local Immigration-Related Service Providers**

There are numerous national, state and local resources that provide a wide range of services for both individuals and communities to help educate and inform people about immigration services and individual rights, offer free legal help, and provide advocacy services. Community-based organizations, volunteer groups, and other formal and informal support networks also provide a critical support system to many immigrants. The following is a brief description of city programs, district programs, and local organizations who provide a number of social services. This section also highlights various immigrant legal-aid organizations-notably areas of immigration legal assistance, types of immigration legal services provided, and non-legal services-that serve the residents of National City.

#### City Programs

- <u>National City Public Library</u>. The National City Public Library serves the community via its main facility located at 1401 National City Boulevard. The library offers several programs for children, teens, and adults including:
  - Children and Family Programs
    - **WOWmobile Literacy Program:** Funded by First 5 San Diego, the WOWmobile visits preschools, Head Starts, apartment complexes, and family resource centers to provide literacy classes, workshops, family activities, and resources to parents of young children 0 to 5 years of age,

- supporting children's learning, behavior, and health, as well as teaching parents the best ways to make their children school ready.
- **Family Story Time:** Stories are read in English and Spanish to the entire family.

#### Adult Programs

- Literacy Program: The National City Public Library's literacy grant from the State Library is geared toward helping English-speaking learners improve their reading, writing, and math skills. Learners are adults who either have limited English skills or who read below the 8th grade equivalency level and attend the program for goals such as passing the citizenship exam or driving test, finding better employment opportunities, or improving the quality of their daily lives.
- Basic Computer Classes: Mouse/Keyboard, Word, Email, Internet Searching. Offered on a weekly basis to provide adults with basic computer skills.
- **Spanish Programs:** General public interest topic such as shared housing, tenant rights, relationship dynamics, etc. Entertainment programs such as Spanish (translated or dubbed) movies.
- Free U.S. Citizenship Classes: The National City Public Library, in partnership with the Jewish Family Service of San Diego, began offering free U.S. Citizenship classes. The classes are facilitated by JFS instructors and conducted as a ten-week program.
- English as a Second Language (ESL) Program: The National City Public Library is currently developing a pilot ESL program designed to introduce non-English speaking adults to the English language. While still in the research phase, staff is meeting with other library ESL programs to determine metrics and examining their curriculum and materials.
- National City Community Services. The City's Community Services Department offers two programs: Kids Club and Tiny Tots. Kids Club is held at El Toyon, Kimball, and Camacho Recreational Centers. This after school service is free to children and allows children up to 6th grade to participate. Under this program, 15-20 children participate in different sports throughout the school year. Tiny Tots is held at El Toyon Recreation Center. This program offers similar activities to preschoolers at an affordable cost to National City residents. The two sessions offered during the day provide service to approximately 40 children, ages four to five.

#### District Programs

 <u>National School District (NSD) Programs</u>. The NSD serves a richly diverse student population of over 6,700 students. The majority of the students in the district are Hispanic. Approximately 57% of the students are English Language Learners, and the vast majority are Spanish speakers. The NSD provides language and literacy programs for students through the Bilingual Program option as well as through a variety of other programs, including:

- Bilingual Education
- Newcomer Classes
- Spanish/English Translation Classes (grades kindergarten through 2nd)
- Kimball Elementary Dual Language School (50:50 English-Spanish)
- English Classes to adults at Rancho de la Nacion
- English Learners Advisory Committee holds monthly meetings with parents and teaches how the school system works

Families of the National School District which include 11 schools: Central School, El Toyon School, Ira Harbison School, John Otis School, Kimball School, Las Palmas School, Lincoln Acres School, Olivewood School, Palmer Way School, Preschool Center School, and Rancho de la Nacion School, are referred to the Care Coordination Team of the National City Collaborative Family Resource Center (NCCFRC). The Family Resource Center itself is located at Kimball School.

- Sweetwater Unified High School District Programs. The Sweetwater District has grown to more than 42,000 students in grades 7 through 12 and more than 32,000 adult learners. The District's 32 campuses are located in the cities of National City, Chula Vista, Imperial Beach, and San Diego, including the communities of Bonita, Eastlake, Otay Mesa, San Ysidro and South San Diego. California's richness in cultural, linguistic and economic diversity is reflected in Sweetwater's student population, which includes Hispanic, Filipino, African-American, Asian and other ethnicities. Approximately half of Sweetwater's students speak a language other than English at home. Below is a sampling of programs that are offered through the district.
  - Translation and Interpretation Services are available for school site and districtlevel meetings in order to offer parents and community members' equal access to pertinent information.
  - English Learner Master Plan (ELMP) reflects the District's commitment to their English Learner students, including students with special needs, immigrant, migrant, refugee, and students with limited or interrupted formal education. Please note the ELMP is currently in the public review/comment phase.
  - District-level English Learner Advisory Committee (DELAC) parent group meets monthly to advise the local governing board on programs and services for English Learners. The DELAC assists in developing and providing input in establishing district programs and goals for English Learners and their needs.
  - District Parent Advisory Council (DPAC) consists of parents who are elected to advise the district governing board on the Local Control Accountability Plan and on Title I programs and services available for their students in order to achieve academic success.

The District has partnered with the Chula Vista Community Collaborative, National City Collaborative and other agencies to provide a variety of social services for students and their families. Families of the Sweetwater Unified High School District which include 4 schools: Granger Junior High School, National City Middle School, Sweetwater High School, and National City Adult School, are referred to the Care Coordination Team of the National City Collaborative Family Resource Center (NCCFRC) located at Kimball School.

#### Local Organizations

- 2-1-1 San Diego. A free 24-hour phone service (211) and online database (211sandiego.org) that connects people with community resources. 2-1-1 also operates a First 5 San Diego Warm Line (1-888-5 FIRST 5) that assists parents of children ages zero through five with location services and resources for their families. 2-1-1 San Diego serves as a nexus to bring the community (organizations) together to help people efficiently access appropriate services, and provide vital data and trend information for proactive community planning.
  - *Membership Fee*: \$11, 716.40 annually (*National City is already a member*)

The City of National City is a partner of 2-1-1 and is on the 2-1-1 Directory of Community, Health, and Disaster Services. In 2017-2018, the City of National City paid \$11,716.40 from the non-departmental account to provide its residents these services.

- South Bay Community Services (SBCS). A community-based nonprofit 501(c)3 that provides a comprehensive range of services and programs for children, youth and families in San Diego County. SBCS's mission is to transform communities to support the well-being and prosperity of children, youth, and families. Their core values guide all aspects of their community-driven work, from programs and partnerships to resource management, and include a focus on collaboration, accountability, persistence, and sustainability. In partnership with community members, faith-based partners, the National City Collaborative Family Resource Center West, Smart Food Foundation and San Diego Food Bank, SBCS offers healthy food distribution and hot meals on a weekly base throughout South County San Diego. The emergency food distribution program serves commodities at National City Middle School, Chula Vista and Imperial Beach.
  - *Membership Fee*: No membership fee; accepts donations
- Family Resource Centers (FRCs) National City contains four Family Resource Centers, operated by the National City Collaborative (NCC) (are there really four FRCs?) and one operated by Southwestern Community College. These Family Resource Centers offer free health and social services to families in need. The Family Resource Centers provide such services as:
  - Prevention Services that bring information and education to the community, including adult education, after-school tutoring, Spanish literacy, health education classes, TB testing, immunization clinics, assistance with forms, as well as advocacy

- Crisis Intervention is provided for immediate intervention services and referrals to families referred by the schools, from other agencies, and those who seek help on their own. These services including counseling, care coordination, rental assistance, referrals for shelters, and emergency food. The FRC also intercedes on behalf of resident families regarding income maintenance and MediCal issues.
- Care Coordination is a team effort that provides service for long-term wellness, resolution of multiple needs and case management. Care Coordinators serve individuals, families with children in school, and others. They take into account the priorities of the family, and together with the assigned coordinator initiate a plan that addresses all pertinent concerns
- National City Collaborative Family Resource Center West Care Coordination Team. The Care Coordination Team receive all referrals from National School District, Sweetwater High School District and outside agencies, and assess the needs of families so that appropriate referrals are made. The Care Coordination Team provides needs assessment, case management services, linkages to various services, and offers referrals to other community resources. Counseling is provided after the Care Coordinators have made the assessment and referral to counseling services. Families are then referred to the counseling program that best matches their need and provides eligibility criteria. The Family Resource Center's values are family engagement, empowerment and enrichment. The Family Resource Center West provides such services as:
  - Emergency Food Assistance Program
  - o Enrollment Assistance for Covered California and Medi-Cal
  - Low-Income Home Energy Assistance Program
  - o TB Skin Test Clinic
  - Immigration Forms Assistance:

#### **Section II. South Bay Community Services (SBCS)**

The working group recommends that the city establish a partnership with South Bay Community Services (SBCS). SBCS currently has a working relationship with the National City Collaborative, a network of agencies that receive referrals from schools, and recently became the lead agency for the National City Collaborative Family Resource Center. In addition to outreach within the community, SBCS also has a working relationship with various departments in the City of National City, including Housing and Economic Development Department and Police Department. The purpose of the partnership is to continue outreach to the immigrant community of National City. SBCS can provide case management data and gage information regarding specific resources needed. Some level of city funding to SBCS is critical to the ongoing delivery of existing programs. This section of the report provides a background of South Bay Community Services (SBCS) and services available through this agency, all of which make a partnership with SBCS a viable recommendation.

#### **Background**

SBCS is a community-based nonprofit 501(c) (3) that provides case management and assesses individual and family needs based on various domains. Since 1971, South Bay Community Services (SBCS) has developed programs on the belief that family struggles do not remain isolated-families as a whole are affected as well as the communities in which they live. SBCS began as a drop-in center in the City of Chula Vista where teens struggling with drug abuse could go for counseling and rehabilitation. As they worked closely with each youth, they learned that many of these teens were coming from homes with other stressors that were impacting every essence of their lives. In response to the needs of the community, SBCS was born and has since grown into one of the largest multi-social service agency in San Diego County. Today, there are close to 500 staff who are

stationed throughout the region including schools, police departments, family resource centers and affordable housing locations-including in their main location in the heart of the City of Chula Vista. SBCS and the National City Police Department contract a full-time victim advocate, to complete follow-up responses to NCPD domestic violence calls. In addition, SBCS has a working relationship with the Department of Housing and Economic Development through a tenant based rental assistance program. This year, SBCS became the lead and coordinating agency for the National City Collaborative Family Resource Center (NCCFRC).

#### Services

South Bay Community Services (SBCS) is a key gateway agency to a great collaboration of resources. SBCS offers a range of services and programs for families and individuals in the entire San Diego County, including emergency shelters, transitional housing and counseling to victims of family violence. In addition to case management, immigration services and legal aid referrals are also a component of service provision in SBCS. Through comprehensive and coordinated services and support for children, youth, and families, SBCS assists all individuals and all communities to reach their fullest potential. The National City Collaborative Family Resource Center located at Kimball School is one site where SBCS provides these services. The following is a brief overview of the types of services currently being offered.

- Juvenile Prevention and Intervention Services
- Youth Job Readiness
- Domestic Violence
- Mi Escuelita Therapeutic Preschool
- Healthy Development Services
- Community Services for Families
- Children's Mental Health
- Foster Youth and Transitioning Youth Programs
- After School Programs
- Emergency Housing
- Chula Vista Promise Neighborhood

### Section III. Tools and Strategies to Expand Support of Immigrant Rights and Services

This section of the report provides the working group's recommendations to further support of the immigrant community in National City. They include establishing a partnership with South Bay Community Services (SBCS), exploring a pilot program to build on the resources already being offered, and providing areas in city facilities for the community to access educational and information literature about immigrant rights and services.

### **Partnership**

A partnership between the city and a community-based organization will help leverage resources and provide avenues for sharing information which will then make referrals possible. A partnership with a local agency will utilize the expertise of staff who have hands-on experience and comprehensive knowledge of issues faced by community members, and who already have a working and trusting relationship with the community. A partnership with South Bay Community Services (SBCS) can provide referrals to the immigrant community who have specific needs, assist with the distribution of educational and information literature in city facilities, and increase awareness and education of social services, including legal aid. SBCS works with nonprofit partners, schools, and communities to serve its client population, including the residents of National City. In partnership with the National City Collaborative, SBCS is able to guide individuals and families through the proper channels, and refer them to experts in the field of service that they may specifically need.

### Pilot Program - South Bay Community Services Partnership

The City Manager's working group proposes that the city explore a pilot program, a partnership with South Bay Community Services (SBCS) to further support immigrant rights and services in National City. The mission of the pilot program is to increase awareness and education of social services and legal aid available to residents of National City. The pilot initiative is an effort to meet urgent needs that require coordinated response. This cross-agency demonstration pilot project leverages established infrastructure. A majority of services provided by South Bay Community Services (SBCS) deal with outreach and case management. Direct legal services are a supplemental component to SBCS but nonetheless facilitated through the agency's collaborative network. SBCS can provide the case management data to track how many National City residents are being served and to provide specific immigration services.

The goal of this pilot program is to:

- Create a strong partnership with South Bay Community Services
- Provide specific information regarding immigrant rights and services
- Complement the wider suite of immigration services available to National City residents

### Community Information Referral Services

It is crucial to take into account the role city facilities have had in the lives of immigrants seeking information, referrals, or a pathway to citizenship. The National City Public Library provides numerous services to the immigrant community including bilingual support, interpretation services, translation services and citizenship classes, among others. To increase education and awareness about immigration rights and services, the working group recommends having educational and information literature readily available in city facilities like the Public Library and at community events facilitated by the Community Services Department. This can entail having an information kiosk in city facilities or a designated area that has a wide range of material on display regarding immigrant rights and services such as flyers, brochures, pamphlets, etc. As a partner agency, South Bay Community Services (SBCS) can provide information, guidance, increase ease of navigation, and create elements that facilitate accessibility to legal services, perhaps a resource directory. By having information available in city facilities, the city is enabling important connections in the community. Because SBCS has expertise in a wide array of services and deals with a number of cases on a daily basis, they are in a good position to provide consultations and refer the immigrant community to other local agencies or organizations that will address their specific needs.

# CITY OF NATIONAL CITY, CALIFORNIA COUNCIL AGENDA STATEMENT

MEETING DATE: May 1, 2018 AGENDA ITEM NO. ITEM TITLE: City Attorney Report on a Proposed Contractor Responsibility Ordinance. PREPARED BY: Angil Morris-Jones, City Attorney DEPARTMENT: City Attorney PHONE: Ext. 4412 APPROVED BY: **EXPLANATION:** See attached Staff Report. FINANCIAL STATEMENT: APPROVED: **Finance** ACCOUNT NO. APPROVED: MIS N/A **ENVIRONMENTAL REVIEW:** N/A ORDINANCE: INTRODUCTION: FINAL ADOPTION: STAFF RECOMMENDATION: Staff recommends that the proposed ordinance not be adopted, in its current form, because it (a) may conflict with existing case law that interprets the California Public Contract Code, and (b) is duplicative of the City's own template agreement used for public works capital improvement projects. **BOARD / COMMISSION RECOMMENDATION:** N/A ATTACHMENTS: 1. Explanation 2. Discussion of Contractor Responsibility Ordinance ("Proposed Ordinance")

# **Explanation**

At the February 20, 2018 meeting, the City Council voted to refer a proposed ordinance titled, "Discussion of Contractor Responsibility Ordinance," (hereafter referred to as the "Proposed Ordinance") to Engineering/Public Works and the City Attorney's Office for review. Providing no deadline to return with a final report, the council requested that staff also review whether other cities had adopted the ordinance.

City staff have subjected the Proposed Ordinance to various levels of review. First, staff from the Engineering/Public Works Department and the City Attorney's Office reviewed the Proposed Ordinance and found numerous similarities between the Proposed Ordinance and the City's contract template for public works capital improvement projects ("CIP Template"). For example, several contractor responsibility provisions from the Proposed Ordinance were already contained in the CIP Template.

Second, staff referred the Proposed Ordinance to one of the City's on-call engineering consultants for further review. Staff was advised that the Proposed Ordinance both duplicated existing provisions of the City's CIP Template and also contained provisions that potentially conflicted with state law.

Third, the City Attorney's Office compared the Proposed Ordinance with the CIP Template to better understand the consultant's findings. The City Attorney's Office agrees that the Proposed Ordinance would both be duplicative of existing provisions of the City's CIP Template and would also potentially conflict with existing state law. The City Attorney's Office could identify no other city within San Diego County that had adopted the Proposed Ordinance.

Based on these three layers of review, staff recommends that the Proposed Ordinance <u>not</u> be adopted, in its current form, because it (a) may conflict with existing case law that interprets the California Public Contract Code, and (b) is duplicative of the City's own CIP Template.

Alternatively, staff is willing to consider drafting a separate ordinance that is more compatible with the City's existing CIP Template.
